

The Gauteng Motor Show featuring Atomic Junkies Adrenalin Sports Fest is the ultimate Motoring Event to Ignite, Excite and Fire the whole family up on all cylinders! Taking place from 1 – 2 June 2013 at the Zwartkops Raceway, this show offers an entertainment line-up unlike any other motoring event in SA. With a line-up of exhibitors to get your engines revving, you can be sure that the whole family will be entertained.

The Gauteng Motor Show will have you stocking up on all the “must haves” from exhibitors selling a variety of products and wares so you can “pimp your very own ride”. And if this is not enough to whet your appetite, what more do you need than an “ice cold one” from the Mitchells and Hogshead beer garden?

Started in 1983 in Knysna by Lex Mitchell, Mitchell's Brewery have been brewing the best ales for the most distinguished taste buds. Since then five beers have been added to their repertoire and are distributed nationally with a pure apple cider joining the Mitchell's Brewery stable last year. With 100% completely natural beers, sit back and enjoy the fine taste of Mitchell's beers at the Hogshead Pub, your friendly local restaurant and pub, only at the Gauteng Motor Show!

Hogshead Pubs offer you a chic, cosy and characterful mix with its retro brick interior, quirky light fittings, unique pewter bar counter, “earthy” wooden and raw hide leather furniture.

Can't wait until the show to get your hands on a cold one? Head over to the Hogshead Pubs in Douglasdale and Weltevredenpark Park to enjoy their traditional hospitality, vintage glamour, and contemporary style.

Tickets to the Gauteng Motor Show featuring the Atomic Junkies Adrenalin Sports Fest will be available from the entrance to the show and on line! Watch out for further details!
