

Turtle Wax® Show & Shine at the Gauteng Motor Show featuring Atomic Junkies Adrenalin Sports Fest

The Gauteng Motor Show featuring the Atomic Junkies Adrenalin Fest, taking place from 1 – 2 June at the Zwartkops Raceway in Centurion, is the ultimate motoring event to ignite, excite and fire you up on all cylinders.

With a line-up of exhibitors to get your engines revving, you can be sure that the whole family will be entertained. Adding to the excitement will be Turtle Wax® Show & Shine with a range of unique cars, from Sports cars to muscle cars, demonstrating the amazing polishing power of Turtle Wax® on the hood of any ride!

Developed in the USA in the 1950's, Turtle Wax® was created after Ben Hirsch made the connection between a Turtle's protective hard shell and Plastone Polish, the world's first liquid car polish. Since then, Turtle Wax® has continued to grow, with products distributed worldwide, offering the largest array of car care products offered by a single company.

Turtle Wax® will be launching and showcasing their new product range at the Gauteng Motor Show. Great News for visitors as they will have the opportunity to get hold of their very own Turtle Wax® products and Crazy Detailers accessories at great show prices!

If you have a ride that is unique and not seen on the road every day, Turtle Wax is looking for you! Bring your ride to have Turtle Wax® work its magic on your wild body, kits and rims! Contact Mark on kwhagencies@mweb.co.za before the end of April 2013 and you could be part of the show.

So visitors listen up! Diarise now and ensure you get to the 2013 Gauteng Motor Show, stock up on all the “must have” products and accessories and bring the excitement home. Exhibitors will be selling a variety of products and wares so you can “pimp your very own ride” . Tickets to the Gauteng Motor Show will be available from the entrance to the show and on line! Watch out for further details!

Don't miss out on the non-stop action at the Gauteng Motor Show Featuring the Atomic Junkies! For more information visit www.gautengmotorshow.co.za and like our Facebook page www.facebook.com/gautengmotorshow
