

The Gauteng Motor Show featuring the Atomic Junkies Adrenalin Sports Fest, is taking place from 1 – 2 June at the Zwartkops Raceway in Centurion, Tshwane. With so many thrilling and adrenalin filled activities for the whole family, the Gauteng Motor Show will bring you the ultimate motoring event to ignite, excite and fire you up on all cylinders.

And if that is not enough, Gauteng Motor Show has partnered with Carfind.co.za, to kick the show up to sixth gear and bring you the best of the motoring world!

Carfind.co.za's concept is based around convenience and their tag line "Imagine if the car you wanted came looking for you," epitomizes that. Every service that they have to offer is based around convenience which is the secret to their success.

And of course, convenience and excitement is the aim of the Gauteng Motor Show where you can stock up on all the "must have" products and accessories and bring the excitement home. The awesome list of exhibitors will be selling a variety of products and wares so you can "pimp your very own ride".

"We are delighted to have Carfind.co.za's participation in the event as a key sponsor. It enables us to elevate the event to a new level this year at the same time strengthening the Thebe portfolio of shows. It is a win-win situation!" says Glynis Anderson of Thebe Exhibitions and Projects.

"Carfind.co.za is eager to be involved with the Gauteng Motor Show with Thebe Exhibitions and Projects at the helm. Thebe and Carfind.co.za brands create an electric synergy and together will be good for the new look Gauteng Motorshow" says Frank McDouall MD Carfind.co.za

Tickets to the Gauteng Motor Show featuring the Atomic Junkies Adrenalin Sports Fest will be available from the entrance to the show and on line! Watch out for further details!
